

TIX Collection Statement

Updated 26 March 2015

Tickets Pty Ltd ('Tix.com.au') collects personal information about you from www.TIX.com.au and its associated sites Lasttix.com.au, Fasttix.com.au and Showbiz.com.au as well as authorised social media pages (each a "Website"). Personal information is collected to contact, provide and market to you with certain offers, content, products and services via any medium.

This Website may collect and use passively collected anonymous information or personal information from various third party sources and may combine such information with other personal information collected from you to provide better services, customise the Websites and ticket offers based on your preferences and compile and analyse website statistics. For these purposes, your information may be shared with related organisations, promotional partners and other trusted third parties in Australia. Failure to provide personal information may result in Tix.com.au being unable to provide you with certain ticket offers, content, products or services.

TIX Privacy Policy

Please see the TIX Privacy Policy for further details regarding:
